2012

Dear Parents,

As 2011 draws to a close, the students of Winfield School would like to cordially invite the community to our Winter Concert. On Wednesday, December 7th, at 7 pm the Kindergarten through 4th grade students will be performing many songs of the season. The 3rd and 4th grade also has a special surprise for all. Please mark your calendars and spread the word. The students would love to perform to a packed audience.

We would also like to thank the PTO in advance for providing pizza for the Kindergarten – 8th grade students and staff on December 23rd. This is the day that is set aside for our annual class holiday parties. The parties will begin at noon until dismissal at 12:53 pm. Due to the large number of sweets that are being sent in for the parties, I am requesting only one dessert per class be offered. The dessert will be the responsibility of the class parent, who can either provide it or delegate it to another parent. This request is being made because I believe children should have parties to celebrate events throughout the year; however as adults we need to regulate the amount of sugar we are providing to our children. If additional treats are sent in they will be returned home that afternoon. Please assist us and avoid disappointment by following this request. If you would like to donate something to the class, I would like to recommend non-food items such as pencils or stickers.

The PTO is not forgetting about the preschool students. This year we would like to change the preschool holiday experience on December 23rd. The idea has been presented that a *Breakfast with Santa* would be exciting. The breakfast would take place from 10:23 am until 11 am. Before making this change, we would like to ask the preschool parents to fill out the survey that was sent home in the preschool backpacks today. Your input is greatly appreciated.

It is also time to say good-bye to Mrs. Abramson, a member of our Child Study Team. Mrs. Abramson will be leaving at the end of December. She will be replaced by Mrs. Walter. Mrs. Walter is an experienced Learning Consultant who will be in during December to work with Mrs. Abramson to provide a seamless transition for all of the children.

In closing, I would like to wish everyone a wonderful holiday season.

Sincerely,

Alice Krihak, Superintendent

ATTENTION:

 In the interest of safety for all, smoking and dogs are not allowed on school property. We do realize that puppies are cute and many dogs can be carried, however in the interest of safety for all, they must remain off school property. Smoking is also not permitted. School ground encompasses the entire square block from Atlantic Drive to Pacific Drive and Seafoam Ave. to Gulfstream Ave.

Please note, parents picking children up at the end of the day, who are parked across the street must allow their children to cross at the crosswalk. We do not want students crossing in the middle of the block. Safety for all is our first priority. Thank you in advance for your cooperation.

THE WPTA NEWSCORNER

The W.P.T.A. would like to thank everyone who was able to join us for the American Education Week classroom visits, and for participating in our contest, "How Well Do You Know the Staff?"
