Re: Governor Murphy's Address

Dear Winfield Family,

You may have heard that yesterday the governor announced that as of March 7, there will no longer be a mask mandate for the schools of New Jersey. As such, over the course of the next month, we await input from the department of health to ensure our plan will continue to prioritize the health and safety of our students and staff.

In the meantime, masks will still be worn by all staff, students, and visitors to the Winfield Township School. We will continue our frequent surface cleanings. We also ask that everyone continue to stay home when sick and continue the practices of frequent hand washing and social distancing.

Thank you,

Ross LeBrun
