January 2, 2023

Dear Winfield Family,

Happy New Year!

We have had a wonderful year so far, with great events and being able to welcome visitors back into the school. For 2023, we're looking forward to Family Olympics and the Art Show returning, and we're even preparing for a science fair! 2023 is going to be a great year for our students.

Now as we prepare to head back to school tomorrow, it's important to note that we are still dealing with Covid cases as well as flu and RSV. As such, we are reminding everyone to continue to stay home when sick to help prevent the spread of illnesses.

In the event that your students are exposed to Covid, they are no longer required to quarantine. Instead anyone exposed will be required to wear a mask for the 10 days following the exposure. Additionally, all students are now eligible to be vaccinated, and everyone over the age of 12 is eligible to receive the Covid booster. As should always be the case, continue to monitor your children, and alert your healthcare provider if they report feeling ill. Should you have questions, please contact the main office.

Thank you all for your continued support.

Most sincerely,

Ross LeBrun
